

a semiotic interpretation of sense-making in information ... - a semiotic interpretation of sense-making in information seeking zao liu zliu@tamu texas a&m university libraries college station, tx 77843 abstract: sense-making in information seeking process is one of the major information seeking models. questions have been raised about information seekers' ambiguous needs and focus-shifting **making sense of the information seeking process of ...** - making sense of information seeking process 20 findings the apparent level of uncertainty, optimism, and confusion/doubt common in the initiation, selection, and exploration phases of the isp model and low con- **the sense-making approach and the study of personal ...** - of seeking out and making sense of information is seen as a communicative practice. the sense-making approach seems promising for deepening our understanding of personal information management (pim) from the user perspective. given the complexity of the approach and its lengthy development, it is impossible to describe it in depth here. **making sense of sensemaking 1: alternative perspectives** - sense out of their experience in the world. 9 on the basis of this definition, you might easily conclude that sense-making is merely a reinvented wheel, expressing concepts that have been common currency in psychology for decades, if not well over a century. here are five of them. creativity sensemaking might essentially mean creativity. how- **vo construals of meaning - researchgate** - two construals of meaning ... we differentiate 2 construals of meaning "making sense of the event and finding benefit ... inclined than pessimists to respond to stress by seeking positive (i.e ... **discovering information behavior in sense making. i. time ...** - information behavior in sense making many researchers who are concerned with the way one of the problems of the information field is what people develop meaning characteristically refer to information objects of study. as i began this study, information seeking. for instance, kuhlthau (1993a), and **helping older adults find meaning and purpose through ...** - body but also a healthy sense of self. helping older adults find meaning and purpose through abstract the purpose of this article is to describe a storytelling project that was designed to help community-dwelling older adults find meaning and purpose in their lives through reminiscing about the past. the **making sense: education for children and young people with ...** - education for children and young people who have dyslexia which has been carried out on behalf of the scottish government. the review covered the experiences of learners in primary, secondary and special schools. it also looked into the provision made by local authorities and at the programmes of initial teacher education **organizational socialization: making sense of the past and ...** - cognitive and sense making theory finally, louis (1980) cognitive approach to socialization, in which newcomers attempt to make sense of the surprises they encounter during socialization, has driven much of the research on information seeking and acquisition. sense making is a thinking process in which newcomers interpret and impute meaning of social movements social movements. we do not need a simple definition of movements if we remain alert to the problems that any such definition would create. the second definition we can consider comes from eyerman and jamison: social movements are . . . best conceived of as temporary public spaces, **brains seek patterns in coincidences - judith orloff md** - to find some way of making sense of the confusion. the brain wants to reduce the negative emotion by finding a pattern. it seeks homeostasis, equilibrium, and calm through perceived order. its simplest alternative is to call up the most important pattern. no meaning there. forget about it. however, if the emotional **dervin's sense-making methodology (smm) - wordpress** - dervin's sense-making methodology (smm) jinxuan ma ... user information seeking and use, audience reception, ... differently and need to create meaning or make sense of their world (dervin, 1992, p.62); dervin's sense-making theory: philosophical premises and assumptions **sense-making practices of expert and novice readers** - also central to the sense-making process are the ideas of gaps and bridges. gaps are questions that must be answered in order for

the student to engage in or construct meaning for the mathematical situation or activity (Weinberg, Wiesner, & Fukawa-Connelly, 2014, p. 170). A bridge is the answer that the student constructs. **beyond bentham: the search for meaning - cmu** - beyond bentham: the search for meaning1 ... of meaning-making."3 Jerome Bruner argues that "world-making is the principal function ... seeking meaning is often antithetical to seeking utility? the answer, we believe, depends on how "meaning" is interpreted. of the four interpretations of meaning that we could glean **trent university - speaker "psychologist"** - trent university the quest for meaning represents not only a primary intrinsic motivation for life expansion but also a powerful capacity for personal transformation. cognitive and existential therapies both emphasize that we are what we think; more precisely, we are how we make sense of ourselves and our place in the world.
