

an integrated, multidisciplinary approach utilizing ... - an integrated, multi-disciplinary approach utilizing stratigraphy, petrophysics, and geophysics ... and log data are honored and quantitatively integrated with each seismic facies and distributed throughout the 3d ... multidisciplinary approach utilizing stratigraphy, petrophysics, and geophysics to predict reservoir properties of tight ... **an integrated approach using non seismic and seismic ...** - an integrated approach using non seismic and seismic surveys for ... the stratigraphy sequences of the south sub- basin, but some differences exist because the interior basin was much ... an integrated approach for hydrocarbon exploration ... **basin analysis stratigraphy basin analysis and subsurface ...** - a systematic approach to definition and evaluating stratigraphic and subtle combination ... sequence stratigraphic framework n357 seismic and sequence stratigraphy for play prediction and basin analysis n007 geochemistry and petroleum system modelling n014 n010 overpressure in ... an integrated approach n171 sedimentary basin evolution and ... **understanding the regional haynesville and bossier shale ...** - understanding the regional haynesville and bossier shale depositional systems in east texas and northern ... an integrated structural/stratigraphic approach* ingo steinhoff1, andrea d. cicero1, kimberly a. koepke1, jim dezelle1, tony mcclain1, and cyrus ... original mudlog + geophysical borehole measurements = integrated stratigraphy ... **revised upper cenozoic stratigraphy of the dutch sector of ...** - problems. integrating and correlating the offshore seismic-based stratigraphy with the onshore lithostratigraphic-based revised upper cenozoic stratigraphy of the dutch sector of the north sea basin: towards an integrated lithostratigraphic, seismostratigraphic and allostratigraphic approach **a seismic driven integrated approach to build a reservoir ...** - a seismic driven integrated approach to build a reservoir model for a heterogeneous shallow marine stratigraphic sand body in krishna godavari basin. varun sharma*, george a.s. manickam, solomon asseffa, sanchita ganguly, partha saikia. ... stratigraphy the pre-cretaceous sediments of krishna-godavari basin **integrated seismic structure, stratigraphy and magnetic ...** - an integrated approach a north-south cross-section traversing part of the offshore louisiana shelf has been used to study a prospective hydrocarbon environment. this example provides a rationale for using an integrated approach to seismic structure/stratigraphy interpretation and magnetic basement structure interpretation. **structural interpretation skilled application** - introduction to seismic interpretation for coal mining 1. awareness 2. basic 3. skilled n new in 2019 ... an integrated approach to 3d seismic interpretation n255 mark sawyers advanced seismic interpretation n485 ... seismic stratigraphy of the permian basin (w texas and se new mexico, usa) n467 vitor abreu **integrated geological and geophysical analysis by ...** - integrated geological and geophysical analysis by hierarchical ... captures seismic stratigraphy and texture information as a discrete set of seismic facies. this seismic facies volume is then ... graphic approach, 15 seismic horizon picks were carried over the greater samarang sub-block, following the same nomen- **part 2: key definitions of sequence stratigraphy** - sea-level change "an integrated approach, scheduled to be released in 1988. in the special publication, an expanded version of this paper serves as the introduction for a series of eight papers documenting, with well-log, core, outcrop, and seismic examples, the concepts of sequence stratigraphy. **a sequence stratigraphic approach to exploration and re ...** - a sequence stratigraphic approach to exploration and re-development in the abidjan margin, cote d'ivoire ... new technologies such as integrated sequence stratigraphic models, deep water drilling, and low ... generalised stratigraphy the generalised stratigraphy of the abidjan margin is shown in figure 1 and includes the main **sequence stratigraphy in a classic pull-apart basin ...** - sequence stratigraphy in a vienna basin " a 3d seismic based integrated approach 187 table 1: stratigraphy and evolution of the vienna basin from the miocene to the present correlated with the main tectonic events (after **application of integrated seismic data processing and ...** - was an effective integrated seismic data processing and interpretation approach used for finding subtle reservoirs. it consisted mainly of 5 processes; i.e., high-precision 3d imaging, improvement of resolution and analysis of seismic attributes, accurate structural interpretation of a 3d **sequence**

stratigraphic approach to hydrocarbon exploration ... - sequence stratigraphic approach to hydrocarbon exploration in bobsaa field, onshore niger delta ... biostratigraphic, paleobathymetric data, and seismic-reflection data. the integrated interpretation of these datasets would enable the sub-division of the ... the well log-seismic sequence stratigraphy is a new
